Step into the heart of the home, where the kitchen reigns supreme. Adorned with 40mm stone benchtops on the island and 20mm stone benchtops throughout, it's a culinary paradise. The marble-look splashback elegantly complements the benchtops, while the LED feature light bar adds a touch of modern sophistication. A spacious walk-in pantry, equipped with a tea and coffee nook (or perhaps an alcohol nook, as your heart desires), ensures convenience and style. Across from the kitchen lies a vast open-plan living area, illuminated by natural light streaming
